Frequency of publication: every four months (January-April, May-August and September-December)

Articles published per year: 25

Minimum and maximum length of articles: 8,500 words

Languages of submission: Spanish, English, Portuguese

Translation policy: We publish translated articles which have been published in a language not included in our languages of submission

Peer review process: double-blind peer review

Approximate acceptance rate: 25%

Disciplines covered: Anthropology, Archeology

Quantitative-qualitative balance: Our articles mostly follow qualitative methodologies. Nevertheless we also publish articles with mixed and quantitative methodologies.

Editorial philosophy: Our editorial objective is to contribute to the advancement and dissemination of anthropological and archaeological knowledge, and to the critical analysis of sociocultural, methodological and theoretical topics that are relevant for the diverse subfields of the discipline and of other related areas of the social and human sciences.

Antípoda constitutes an open, critical, pluralist forum in which hitherto unpublished articles and studies are published in Spanish, English and Portuguese. *Antípoda* has a special interest in disseminating the experiences and the results of anthropological studies and of social research on the anthropologies of the world, especially those of Latin America.

Use of photographs or graphics: color in our digital version, black and white in our printed version.

Are proposals for special guest-edited thematic issues considered? Yes

Other special features of the journal:

Social media presence:

uniandes.academia.edu/RevistaDeAntropologiaYArqueologiaYArqueologia

Planned future developments: The Journal is working on a change of its web page (Atypon) and with Scholar One (Claritative Analytics) for administration of contents. Also we are considering to release four numbers per year from 2018.
